In re Patent No. 7,241,486 :
Eija Pirhonen :
Issue Date: July 10, 2007 :
Application No. 09/981,676 : ON PETITION
Filed: October 16, 2001 :
Attorney Docket No. 01942-00003 :

This is in response to the REQUEST FOR RECONSIDERATION filed December 15, 2010, which is being treated as a request under 37 CFR 3.81(b)¹ to correct the naming of an assignee on the front page of the above-identified patent by way of a Certificate of Correction. This request was recently forwarded to the undersigned for consideration.

The request is **GRANTED**.

By decision mailed November 26, 2010, a prior REQUEST FOR A CERTIFICATE OF CORRECTION was dismissed. The request included a Request for Certification of Correction Under 37 CFR 1.323, a draft Certificate of Correction, the fee set forth in 37 CFR 1.20(a) for issuance of a certificate of correction and an authorization to charge any other required fees.

On December 15, 2010, petitioner submitted their request to the Office of Petitions for decision. Petitioner states that the attorney incorrectly typed in "Inion Ltd., Tampere (FI)" as the assignee when in fact the application was not assigned.

¹ See MPEP 1309, subsection II, Official Gazette at 1283 OG 148 (June 22, 2004) or Final Register at 69 FR 29865 (May 26, 2004).

Petitioner requests a deletion of the assignee. On initial petition filed November 19, 2010, petitioner provided a Certificate of Correction for that purpose.

Both petitioner's evidence and Office records show that there is no assignment of the above-identified application.

Receipt of the required \$100 certificate of correction fee on November 19, 2010 is acknowledged. The required \$130 processing fee is being charged to the Deposit Account, as authorized.

Telephone inquiries concerning this decision may be directed to the undersigned at (571) 272-3219. Inquiries regarding the issuance of a certificate of correction should be directed to the Certificate of Correction Branch at (571) 272-4200.

The Certificates of Correction Branch has been notified of this decision granting the petition under 37 CFR 3.81(b) and directing issuance of the requested Certificate of Correction.
